

# **SEND A MESSAGE TO THE GOVERNOR FIGHT FORCED JOB TRANSFERS**

Join us at a  
**Press Conference**  
**Tuesday, October 3rd at 11a.m.**  
**Steps of the State Capital**  
**(State Street Side)**

**Gov. George Pataki is at it *again* — announcing plans to relocate state workers.**

**Dozens of scientists from the state Department of Agriculture and Markets food-testing lab have been told their jobs will be moved to Geneva from Albany.**

***And*, the governor wants to relocate hundreds of computer operators who work at the state's data centers to a consolidated unit in Utica.**

**These plans put consumer safety at risk and will waste millions of taxpayer dollars!**

**Join state and local lawmakers and PEF to tell the governor to stop geographical patronage during his final weeks in office.**
