--	---

**Updates from Previous Meeting:**

***Item 1: Automated External Defibrillator Project***

Larry Enoch will provide updates on this project and the status of the vendor selection.

***Item 2: Formation of Regional and/or Local Health and Safety Committees***

PEF Representatives would like to develop local Health and Safety Committees. Management employees are being identified, PEF to provide a list of employees to sit on the local committees.

***Item 3: Asbestos Manual Update***

Larry Enoch to report on status of manual.

***Item 4: Building 7A – State Campus***

Final inspection was conducted by DOL. Pending DOL's report of the inspection.

***Item 5: Building 5 – State Campus***

Joe Kowalski reported that OHS (Federal) has been moving wires, ceiling tiles, etc. at Building 5 of the State Campus without input from OGS.

Larry Enoch to get an update from Andy Papale and will report at meeting.

***Item 6: Testing for TB and Hepatitis***

PEF has asked about the feasibility of testing OGS employees who work in prisons for hepatitis and tuberculosis. Jim Barron will reach out to D & C to discuss this issue.

**Meetings are scheduled for remainder of 2007 as follows: 9/16/07 and 12/19/07 @ 9:30 a.m.**
