This will give our health and safety leaders and activists a rare opportunity to hear directly from OSHA's new progressive leadership on OSHA's priorities and programs.

It will also provide a platform for PEF leaders to educate a high ranking OSHA official about the hazards in the State of New York worksites and what we are doing about them and how OSHA can help.

Tickets are \$10.00 per person (to be collected at the door)

Please RSVP to Kristina Willbrant at [kwillbrant@pef.org](mailto:kwillbrant@pef.org) or 800-342-4306, ext. 336

If you have any questions, please call Kathy D'Arminio, PEF Article 18 Health and Safety Chair at 518-257-6983.

**Please Pass this on to your Delegates !!!**
