

*The attached represents a compendium of all current PEF policies as passed by the Executive Board since 1979 or by virtue of an adopted resolution brought forth at various PEF Conventions.*

*Policy can be defined as an action by the Executive Board or Convention which constitutes a practice to be used by the organization, its leadership, and its members, as opposed to a specific motion operative under a particular circumstance or time frame.*

*Each policy has been categorized into the Table of Contents in the Policy Manual. Each time a policy is adopted it will be added to the manual as well as the table of contents.*

*You will from time to time be referring to this Policy Manual in your role as an Executive Board member.*
